**Spring Plant Sale**

**Fort Worth Botanic Gardens**

**April 10, 2010 - Saturday 9:00 AM – 2:00 PM**

This sale is sponsored and produced by all the gardens clubs in the area and the botanical gardens. One of the highlights of this sale is the selling of extra plants from the national species bank for begonias that is housed at the Fort Worth Botanic Gardens. There are two of these sales each year where the garden sells all of their extra plants. You must get there early as people begin lining up with their carts and wagons as early as 8:00. If the weather is nice and you are in the area it is worth a look.
